August Writing Prompts

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 If I could trade places with a family member for a day, I would…	2 When it's really hot outside, I like to eat (or drink)…	3 Pretend you live in a sand castle. Describe your life and what you do all day.	4 Write about the silliest thing you've ever done.
5 Pretend you invented a new flavor of toothpaste. What flavor is it? What does it look like?	6 List three things you'd take on a trip to the moon.	7 Today is Friendship Day! Write a letter to one of your friends.	8 Describe a time you went to an amusement park. (If you've never been to one, what do you think it would be like?)	9 I've never laughed as hard as the time I…	10 Tell about a book you enjoyed reading over the summer.	11 Write about a time someone surprised you.
12 If I could make a new holiday in the month of August, it would be called…	13 Think about a pet your parents would never let you have. Write a letter explaining why they should let you have one.	14 I was swimming in the ocean, and I found a treasure chest filled with…	15 Write a letter to a favorite teacher.	16 If someone looked in my bedroom, they would know that I love to…	17 Would you rather live in an igloo or a tree house? Explain.	18 Tell what you think it means to be a good citizen.
19 It's National Aviation Day! What are some ways airplanes have improved our lives?	20 What was your favorite activity from this summer? Why did you like it?	21 If my bicycle had wings, I would…	22 When I want to relax and be calm, I…	23 Five things I love about school are…	24 If you could be any book character, who would you be and why?	25 Of all the things I own, I really could not live without my _____ because…
26 One thing I wish I had done this summer is…	27 Pretend you invented a new pizza. Describe the toppings you would put on it!	28 The place that makes me the most happy is…	29 One thing I would like my new teacher to know is how much I enjoy…	30 I'm really glad summer is almost over so I don't have to…	31 Do you think it's better to be good at math or reading? Explain.
